

Creating Mount SotaMore

What helps us understand a place? What things would you use to describe the place we live? Your job is to create a “Mount Rushmore” that represents Minnesota. In the space below (or on the back of this page if you want more space), you are going to identify and draw FOUR nouns (people, ideas, places, things) that represent Minnesota. In addition to drawing the four things that represent Minnesota, you will also describe why you chose each of those things in 2-3 sentences.
