

Unit 4: Political Geography - Enrichment Activity

Name: _____

Directions:

Step 1: Read the historical context information from the Storymap at this [link](#).

Step 2: Next, look at the "People and Society" tab on the Storymap.

Step 3: Use what you have learned about Korea to decide where the border between North and South Korea should be--or, if there should be a border at all.

Step 4: Draw in your border and explain in a 3-5 sentence paragraph why you chose to put your border where you did.

Explain your border:
